Beautiful Bag Making Workshop – Pam Martin

Stitch a beautiful bag for the summer, choosing a design from a [list of twelve bags](#). An additional pattern and instructions can also be chosen to make back at home.

Students are required to bring along

- Sewing machine, including all attachments and ideally a manual
- Fabric scissors
- Small scissors
- Pins,
- Fabric markers
- Rotary cutter, ruler and self-healing board (if available)

For those choosing to bring along their own fabric and fittings, advice will be emailed before the workshop on what is required for the bag of your choice. Alternatively a selection of fabrics and fittings will be available for you to purchase on the day.
