

Christmas Tree Requirements

Fabric

For the tree – 2 pieces of different fabrics each measuring 12” x 12”. A small print works better

Tree back ground – contrast to the tree – 35cms

Border – 25cms

Backing – at least 50cms x 70cms

Wadding – as backing

Fabric for binding

Parcels – scraps

Star – scraps of silver or gold – I will have some!

Bondaweb for parcels and star

Threads for machine piecing and for machine appliquéing.

Threads, ribbons, buttons, beads, charms, sequins etc for embellishing as you choose.

Suitable hand and machine needles

Sewing Machine with ¼ inch foot/setting (please bring machine manual!)

Rotary cutting equipment - if you have

Fabric scissors, pins etc

Pencil, paper scissors
