

Japanese Folded Patchwork

This workshop you can either make several samples using different shapes or you can choose one design to work on. By folding one shape over another you will make finished units - no raw edges

Requirements

- Fabric - dress weight 100% cotton, usually one plain or textured fabric and one patterned one
- Template plastic
- Cereal box card
- Fabric marker
- Fine permanent marker
- Pins
- Needles
- Thread to match fabrics
- Thread for tacking
- Fabric scissors
- Paper scissors
- Small amount of wadding, preferably *not 2oz polyester*
