

Japanese Folded Patchwork

By folding one shape over another you will make finished units - no raw edges! In the workshop you will get the chance to try various different shape combinations. You will go home with several samples and lots of ideas for incorporating them into projects.

Requirements

- Fabric - dress weight 100% cotton, usually one plain or textured fabric and one patterned one. You could use several different combinations if you like
- Template plastic
- Cereal box card
- Fabric marker
- Fine permanent marker
- Pins
- Needles
- Thread to match fabrics
- Thread for tacking
- Fabric scissors
- Paper scissors
- Small amount of wadding, preferably *not 2oz polyester*
