

CATHEDRAL WINDOW

Introduction

A manipulated fabric technique which you will use to make a pin cushion and a needle case. This is a hand sewing workshop.

Requirements

2 coordinating fat quarters of dress weight 100% cotton fabric

Small amount of 2oz polyester wadding or stuffing

Cotton thread to match fabric

Hand sewing kit – needle, pins, small sharp scissors, thimble (if you use one)

Fabric marking pen/pencil

Ruler with 1/4" markings

Fabric scissors **or**

Rotary cutting equipment *if you have it (don't buy especially)*

For the needle case you will also need a skein of cotton perle 5 and a square of felt (you may wish to choose these once the needle case has been made)
