

Dressmaking Course Requirements.

Whether you are a complete beginner or have some dressmaking experience, I hope that the five week course will help you to:

- understand and use a pattern
- prepare pattern and fabric prior to cutting out
- assemble the garment of your choice

You will need the following:

A sewing machine – if you have not used your machine for a wee while, could I suggest that you check it out to make sure that it is in working order? If you have a manual for your machine, it is useful to have it with you in case of any problems.

Your pattern and fabric – if you need help in choosing these, please speak to Spinning Weal staff (01275 876000). If they are unable to help you or you need further help, your details will be passed to me and I will contact you. I do get in touch anyway at least a week before the start date to check if all is okay.

Dressmaking scissors, plus a smaller pair for cutting threads etc.

Measuring tape

Dressmaking pins – I prefer the glass beaded ones as they are easier to find if you drop them, also easier to pick up!

Needles

Thread

I look forward to meeting you.

Linda Jackson.
